

TRISTAR  READS

IMAGINE YOUR *Adventure*

It's almost summertime!

That means swimming, camping, and fun in the sun. But summer also means adventure, and there's no better place to experience adventure than in the pages of a book.

Whether you want to tour Willie Wonka's chocolate factory or visit Hogwarts, follow the yellow brick road to Oz or dance with the wild things, a good book can take you anywhere you want to go!

Tristar Reads invites Tennessee students ages 5-18 to spend at least 20 minutes each day reading a book. At the end of the summer, three Tennessee students who spent the most time reading will each **win a \$1000 scholarship!**
